This program is for individuals who use opioids or individuals who know someone who uses opioids and is at risk of opioid overdose. Common opioids include heroin, OxyContin, methadone, Percocet and fentanyl.

We will teach you how to recognize an overdose, how to respond to an overdose and how to administer naloxone to reverse an opioid overdose. We will provide you with a free kit containing the lifesaving opioid overdose antidote naloxone.

Come to any open walk-in clinic or call MetroHealth Project DAWN at 216-778-5677

Funding for Project DAWN is provided by the MetroHealth System; The Ohio Department of Health, The Alcohol Drug and Mental Health Services Board of Cuyahoga County and the Substance Abuse and Mental Health Services Administration.

If you or anyone that you know is actively using or recovering from an addiction, contact **Project DAWN for information at 216-778-5677**. Eligible program participants, are given FREE Naloxone kits – the opioid reversing antidote. MetroHealth has opened a mobile RV across from its main campus to offer naloxone kits, fentanyl test strips and syringe exchange services. They are also offering care coordination and limited evaluation and referrals for MAT.

Harm Reduction Ohio is mailing Naloxone kits statewide during COVID-19: <https://www.harmreductionohio.org/get-naloxone>

FREE fentanyl test strips are available at the following locations:

- Circle Health Services (12201 Euclid Ave, Cleveland, OH 44106 | 216.721.4010)
- Care Alliance Clinic (2916 Central Avenue Cleveland, OH 44115 | 216.535.9100)
- Care Alliance Clinic (1530 St. Clair Avenue, Cleveland OH 44114 | 216.781.6724)

Additionally, the Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Board of Cuyahoga County provides a **24-hour crisis hotline at 216-623-6888**.

For the **Crisis Text Line**, any person coping with a stressful situation can **text “4hope” to 741 741** to be connected with a trained Crisis Counselor.

If someone needs emotional support, the **COVID CareLine** can be reached by calling **1-800-720-9616**. This line is staffed by trained professionals from 8 a.m. to 8 p.m. daily and transfers to a national call center after 8 p.m. The staff are able to provide personalized consultation, screening, brief intervention, and referral to resources and support if needed.
